1950S BRASS STICK UMBRELLA STAND POT WITH VERDIGRIS COPPER PATINA

SKU: GD1376

£325.00

A good quality vintage 1950s brass stick umbrella stand. Crafted from high-quality brass, this piece has a verdigris copper patina finish that has bene added which gives the piece a character and charm. The round design offers a classic look, featuring embossed pattern that enhances its vintage appeal. Its heavy base ensures stability, preventing tipping and providing a reliable storage solution for your umbrellas.

Could also be used as a decorative pot, good scale and colour.

Perfect for both functional and decorative purposes, this umbrella stand is ideal for holding umbrellas in style while serving as a beautiful accent piece in your home or office.
