

1960S MID CENTURY INDUSTRIAL CHROME FLOOR STANDING CHEVAL MIRROR

SKU: GD1594

Mid-Century Modern Cheval Mirror in Tubular Chrome on Cast Iron Castors with Brass Chrome Fittings and Foxed Mirror Plate - With an Industrial Aesthetic

Crafted in the 1950s, the mirror features a sleek and sculptural tubular chrome frame that stands on a sturdy base with cast iron castors. The mirror's elegant design is further elevated by the inclusion of high-quality brass chrome fittings with a knurled detail, adding a quality and utilitarian element.

Boasting its original mirror plate with some ageing and foxing to the plate. The overall aesthetic combines mid-century modernism with an industrial-inspired edge, creating a great overall look that seamlessly blends vintage and contemporary styles.

Measuring 61 inches (155cm) tall, the mirror provides ample surface area for full-length viewing. The swivelling frame can be adjusted to the required angle and rolling cast iron castors allow you to easily move the mirror to your desired position, making it a perfect full-length mirror.

A good quality mirror plate with great reflection and a soft light. The wooden backed mirror frame it in excellent condition with a lovely aged feel to the wood,

The brass chrome fittings with knurled detail add a tactile and luxurious element, complementing the industrial design. Crafted with attention to detail, this cheval mirror is a timeless piece that will elevate the look of any interior, whether placed in a modern loft, rustic-inspired space, or eclectic mix of styles, the chrome will provide a reflective sparkle to the room.

Its versatile design, complete with the added mobility of the cast iron castors, allows it to seamlessly integrate into a variety of decor schemes. Add this stunning mirror to your collection and enjoy its timeless beauty and functionality for years to come.
