Enhance your hallway with this antique wrought iron umbrella stick stand, embodying French chic charm. Adorned in a striking red paint, it beautifully contrasts with intricate scroll iron work, reminiscent of classic Parisian style.

The stand features charming brass finials, each with unique dents that enhance its character and allure. Crafted from sturdy wrought iron, this heavy item not only provides stability but also showcases a superb patina, reflecting its rich history and timeless appeal. The cast iron pad feet ensure durability, making it a practical yet stylish addition to your home décor. Also features a deep holding tray that can be removed for cleaning.

Perfect for organizing your umbrellas or simply adding a touch of vintage sophistication, this umbrella stand is a perfect blend of functionality and decorative appeal.

A handy size with plenty of room yet has a narrow footprint for use in a hallways or cloakroom.
