SOFA | 3 PERSON**

**SKU:** GD1439

**£1,475.00**

A superb quality sofa by De Sede, this 1970s DS 12 model features a highly desirable two tone configuration with thick leather to the seat and contrasting soft suede to the frame. Usually seen in modular form but this example is a rare three seater which would have been a special order. A generous sofa at 7ft in length with good seating position.

In excellent original condition, no holes or tears, the leather has various wear marks and scrapes as can be seen in the photos which add to the overall look of the piece and is in keeping with its age. The back cushions are removable and the seat cushions can also be lifted up. The sofa is clean and ready for immediate despatch.
