A PAIR OF 1960S MID CENTURY OAK BENCHES WITH TRADITIONAL RUSH SEATS

SKU: GD1653

£1,295.00

A charming pair of mid-century oak benches featuring hand-woven rush seats. The simple, sturdy construction and warm oak finish evoke a rustic yet modern aesthetic. The rush seats are hand-woven in a traditional pattern and offer a comfortable seating surface. Perfect for adding character and seating to any entryway, hallway, or as an occasional piece for a bedroom space.

In excellent condition, with some minor wear consistent with age and use, the wood exhibits a lovely worn patina which we have purposely kept without additional restoration. Both benches are in good sturdy order and have gone through our workshop inspection to ensure there are no wobbles or loose joints.

Their lightweight design makes them easy to move and rearrange. Each bench measures 95cm long, 34cm wide, and 46.5cm high making them ideal for smaller spaces. Being a pair makes them very desirable for use in flanking a doorway or creating symmetry.
