A PAIR OF BRUTALIST INDUSTRIAL METAL PLANT STANDS BY POGGEN POHL

SKU: GD1683

£1,125.00

A striking **pair of Industrial Metal Plant Stands** crafted by renowned high end kitchen maker **Poggen Pohl**. Perfectly suited for a **brutalist decor scheme**, these stands embody the raw aesthetic of raw industrial chic, making them ideal statement pieces for any modern or eclectic space.

Design and Features:

These plant stands feature a heavily rusted patina with remnants of old paint, capturing the essence of industrial spaces. Standing at **110 cm (43 inches)** tall, they command attention while providing a robust and functional display. The large top opening measures **16 inches square**, tapering down to **9 inches at the base**, creating a visually dynamic silhouette.

The unique texture and weathered finish of these stands make them a perfect fit for interior designers seeking distinctive pieces that resonate with the industrial style. Their bold design and sturdy construction ensure they will hold up well in both residential and commercial settings.

Condition:

These plant stands are in excellent sound condition, showcasing their authentic industrial charm. The rusted patina and paint add character and a sense of history, making them perfect

for those who appreciate the beauty of aged materials.

Versatile and Stylish:
Ideal for adding a touch of industrial flair to any space, these plant stands can enhance various design styles, from modern lofts to a commercial space, to create a striking focal point.

Dimensions:

- **Height**: 110 cm (43 inches)
- **Top Opening**: 16 inches square
- **Base Width**: 9 inches

A standout pair of **Industrial Metal Plant Stands by Poggen Pohl**.
