A PAIR OF MID-CENTURY RATTAN TOP BAMBOO NIGHT STAND SIDE TABLES

SKU: GD1652

£695.00

A well-presented pair of mid-century night stand side tables, crafted by the Maugrion of France, the pieces showcase a warm, mellow aged tone adding warmth and texture.

Made by Maugrion, a respected maker known for durability and style, the original label is still attached. The open-fronted design features two spacious shelves and a generous top surface, perfect for displaying decor or storing essentials. Crafted from block wood ply with bamboo edges, these tables offer both strength and elegance.

With their low height (34cm), they provide a classic, unobtrusive mid-century feel, making them ideal as nightstands beside a bed or as stylish side tables next to a sofa.

About Maugrion

Maugrion has a history of manufacturing for luxury brands, including Roche Bobois. Known for their high-quality craftsmanship and distinctive designs, Maugrion's pieces often align with the aesthetic standards of luxury furniture retailers, contributing to their reputation in the mid-century modern market. This collaboration with prestigious brands highlights the quality and desirability of Maugrion's work.
