An exceptional **Antique 19th Century Aesthetic Movement Ebonised Side Table**, a superb example of craftsmanship that embodies the elegance of the era. This exquisite piece, possibly crafted by the esteemed furniture maker **Gillows**, features a beautifully figured Amboyna veneer top, complemented by intricate gilt detailing that enhances its aesthetic appeal.

Design and Features:

The table showcases a striking ebonised finish that adds depth and sophistication, making it an eye-catching addition to any room. The round top, adorned with stunning Amboyna figured veneer, highlights the natural beauty of the wood grain while providing a luxurious surface for decorative items or plants. The gilt detailing around the edge adds a touch of opulence, reflecting the artistry of the Aesthetic Movement.

One of the standout features of this side table is its **wonderful splayed feet**, which gracefully lead onto elegant **brass and ceramic casters** to add a touch of additional refinement.

Condition:

The table is in sound condition, exhibiting historic repairs and some veneer loss to top and apron. However, the overall aesthetic is that of a characterful piece, showcasing a superb age-

worn patina that adds to its authenticity and charm. The imperfections only enhance its rich history and tell a story of its past.

Versatile and Timeless:
This **Antique Ebonised Side Table** is not just a functional piece but also a work of art that can elevate the decor of any space. Its timeless design makes it suitable for traditional, modern, and eclectic interiors alike.
