ANTIQUE EBONISED AESTHETIC MOVEMENT SIDE TABLE WITH RED BAIZE

SKU: GD1056a

£695.00

A superbly presented **19th Century Victorian Aesthetic Movement Side Table**, crafted in the manner of the renowned designer **E.W. Godwin**. This exquisite piece features an elegant ebonised finish with gilt detailing.

Design and Features:
The table showcases a striking octagonal top, newly and professionally upholstered in rich red baize, creating a vibrant focal point. The beautifully turned legs lead down to a gallery shelf, providing both functionality and style. One of the standout features of this table is its **wonderful sculptured splayed footing**, which adds an artistic flair and enhances its visual appeal.

A stunning accent piece that embodies the elegance of the Aesthetic Movement period.

Condition:
This centre table is in excellent condition, reflecting its quality craftsmanship and timeless design. The upholstery is fresh and inviting, ensuring this piece is ready to use.

English, Circa 1880
