ELEGANT MID CENTURY PEDESTAL SIDE TABLE IN LIGHT OAK

SKU: GD1593

£545.00

This beautifully crafted mid-century side table features a light oak finish and a round top with a stunning figure oak grain pattern. Despite its delicate appearance, the table is remarkably stable and strong, making it perfect as a side table or pedestal for displaying flowers and decor.

The table's elegant form is defined by a single turned column support that leads down to a graceful tripod leg base. The gentle curved lines and excellent proportions give it a refined, delicate aesthetic that would complement a wide range of decor styles. Whether placed beside a chair or in a corner of a room, this side table brings a touch of mid-century modern flair to any space.

Beautifully made, this table showcases a simple yet sophisticated craftsmanship. The light oak wood is smooth, durable, and strong, with a natural grain pattern that adds warmth and visual interest. A piece that is both functional and artfully designed. It would make a stylish and versatile addition to a living space.

In excellent condition, clean and ready to use.
