CAST IRON BAKERY BOWL

SKU: GD1100

£1,470.00

A very large industrial bakery mixing bowl on a heavy cast iron frame with castors.

This came from an old bread making bakery in Wales where it was used to mix dough for over 60 years. A great piece of heavy industrial history which will live on as a wonderful decorative feature.

The large bowl rotates on its base.

Price includes UK mainland delivery
