LARGE FLOOR STANDING AMPHORA OLIVE POT GARDEN PLANTER WITH AGED PATINA

SKU: GD1618

A large floor standing Amphora Planter with weathered patina.

A 20th Century piece, terracotta with a white wash finish that has aged to a characterful patina.

Nice elegant form, with narrow base and a beautiful curvature, thick rolled rim with a glazed interior.

The piece has a wonderful organic look and large scale, large enough to be used on its own as a feature or as a planter, suitable for interior of exterior use.

Condition: in good sound condition, there are minor losses and hairline cracks but this does not effect its structure.
