Condition Report

Despite 50 years of life, the leather is in excellent condition, with only minor age-related scuff marks. The chrome bases do exhibit age-related wear and pitting which is visible on the chrome (please see close-up images), however the chrome still retains good depth and shine. All pieces have undergone a thorough quality check and detailed cleaned. All bolts and fixings are intact and in excellent sound order (no wobbles or loose pieces).

Original label under one chair with manufacturing date of 1982. A great opportunity to own a piece of design history.
