MODERNIST BAUHAUS JAPANESE OAK SIDE TABLE - CIRCULAR TOP

SKU: GD1217

£625.00

A modernist Bauhaus side table in solid oak, a perfect blend of style and functionality. This elegant piece features a sleek circular top, crafted from high-quality oak, designed to be both visually striking and durable.

The table's three square legs provide a strong yet refined base, embodying the minimalist aesthetic that Bauhaus is renowned for. Each leg is meticulously designed to create a harmonious balance, ensuring stability while adding a stylish clean post modern aesthetic.

Table Height = 50cm

Circular Top = 42cm

Ideal for any modern or post-modern setting, this side table serves as a versatile accent piece, will add style and sophistication to a room. Whether placed beside a sofa, in a hallway, or as a bedside table, this modernist side table is a practical piece of 20th Century furniture.
