ORIGINAL 1950S INDUSTRIAL FACTORY SWIVEL STOOL BY EVERTAUT | GUITARIST STOOL GUITAR SPLAYED SEAT | HIGH DESK STOOL

SKU: GD1392

£1,200.00

A rare and unusual splayed factory stool from the 1950s, almost certainly by Evertaut. Likely made as a special factory piece or exhibition piece.

In excellent original condition, with lovely wear and patina to the seat, there is a small area of stitching loose on the side of the seat as photographed but does not effect the seat. A truly wonderful piece of British industrial history. It would make a superb musicians Guitarist seat or an unique high desk stool. The seat height is adjustable from 69cm/27" to 75cm/29.5"

A good generous sized seat and as with all British made Evertaut pieces of this era it is well engineered and sturdy.

Price includes UK mainland delivery.
