

## PAIR OF CAST IRON GARDEN URN PLANTERS WITH WEATHERED PATINA

**SKU:** GD1714

**£425.00**

A beautiful pair of cast iron garden urn planters with a naturally weathered patina. Originally painted white, they retain traces of old paint alongside areas of exposed iron and rust, giving them an authentic aged character.

Their classical form and timeworn surface make them suitable for use outdoors as decorative garden objects or planters, and equally appealing indoors as sculptural pieces.

Height = 16.75 inches (42.5cm)

Both urns are hollow at the base with an opening at the bottom. Sold as a pair.
