RECLAIMED RED SANDSTONE GARDEN STEPS MONOLITH GARDEN FEATURE OR STEPPING STONES

SKU: GD1629

£2,295.00

A beautiful trio of large reclaimed 18th Century red sandstone monolith stones, originating from Herefordshire , England. These are timeless pieces with wonderful form, use them to form an organic structure, ideal for use as garden steps, pond areas, or stepping stones.

The three stones have a natural monolithic shape and would also work well as upright structures. Each stone boasts a rich, warm hue that varies from deep crimson to lighter shades, showcasing the natural beauty of iron oxide that has formed over centuries. The fine to medium grain of the sandstone allows for a smooth, inviting surface that is perfect for any garden pathway or entrance.

Key Features:

Authentic Historical Charm: Hand-selected from centuries-old reclaimed structures, these stone carry the character and stories of the past, making them a unique addition to your landscape.

Durability: Naturally beautiful and naturally enduring, these reclaimed steps are built to withstand the elements while maintaining their beauty.

Versatile Design: Ideal for creating stunning garden features, they blend seamlessly with both

traditional and contemporary outdoor designs.

Trio of Monoliths: Use these stones as a striking trio of monolith garden features, adding height and interest to your landscape while celebrating the natural beauty of reclaimed materials.

Eco-Friendly Choice: By choosing reclaimed sandstone, you are making a sustainable choice that reduces waste and preserves natural resources.
