VICTORIAN EBONISED FAUX BAMBOO GATE LEG OCCASIONAL SIDE TABLE

SKU: GD1571

£450.00

This elegant Victorian side table features a beautiful oval-shaped top with faux bamboo legs. Made from hardwood with an ebonised black finish, one of the standout details is the worn, gilded edge around the table top, along with the worn patina around the legs that adds an extra touch of character and authenticity to the piece.

The classic gate leg design allows the legs to fold in, making this a versatile occasional table that can be easily moved or stored as needed. It can also be used as a D-shape table against a wall. When open, it measures approximately 27" wide x 21" deep x 22" tall. Folded, it is only 9.25" thick.

Some key features:

- Oval-shaped top with faux bamboo legs

- Ebonised wood finish

- Worn, gilded edge patina around table top

- Folding gate leg for compact storage

- Measures 27" x 21” when open

- White Ceramic Castors

This small side table would make a beautiful addition to any living space, with its blend of classic style and practical functionality.

In excellent sound condition, the Gate Legs are strong and when open its a sturdy table.
